We Love Non-Profits!

Learn how we can help raise funds for your organization while also educating that what we put on our bodies DOES matter.

We at Stream2Sea believe in your mission and would be honored to partner with you to help protect the environment we love -- together, we are doing better!

Referrals & Contributions

We have a referral link that creates a banner and unique link for your website and email communications. This offers a generous referral contribution to your organization for any revenue generated through Stream2Sea.com via the link.

Store Sales & Donations

Have a non-profit retail store? We offer an additional 10% donation to your organization for every wholesale purchase. We can also offer special pricing for give-aways and events.

Co-Branding

Stream2Sea can co-brand our Explorer or Travel Kits with a card with your logo and some information about your mission. These kits can be customized to suit your budget.

Of course, we will be glad to share your work on our partner page and Stream2Sea's social media platform, and will be grateful for you to share us as well.
